## NAVETTA 64 – THE ABSOLUTE PATHFINDER

### EXPLORING NEW BOUNDARIES WITHOUT EVER FEELING FAR FROM HOME

Not a simple expansion of an already complete range, but rather the most tangible expression of **generous and open-minded engineering** has allowed implementing not only the usual Absolute Yachts' best features but also amazing onboard innovations.

The Navetta 64, The Absolute Pathfinder, is like a sister to the other models in the range: she is a Navetta, and you can easily tell why. The **wide and uninterrupted side glass window**, which runs from the aft mirror to the windshield, outlines her exterior shapes, characterized by the **significant enlargement of the bow windows** and the **opening of the side gunwales in the cockpit**.

### WAKING UP WITH THE SEA IN THE EYES, ALMOST TOUCHING THE WATER.

In the **Beach Club** version, the transom can be turned from large storage into an actual double cabin on the water's surface thanks to a fully **glazed watertight access door with a certified watertight seal**.

**Beach Club by day and VIP cabin with an *en-suite* head by night:** this alchemy is made possible thanks to the placing of the crew cabin—with 2 berths—directly accessible from the second starboard side door. A triumph of livability both at daytime and at night-time, right at the stern, right on the water!

### MAXIMUM SPACE, COMFORT, DESIGN, AND TECHNOLOGY. NO HALF MEASURES.

Aboard the Navetta 64, all the spaces are designed to offer the maximum enjoyment of the rooms—always panoramic and bright, thanks to **unprecedented-size windows**. In addition, the spaces are furnished and refined with everything you need to feel just like at home, without giving up on anything.

The **Fly area** has a far greater width than on any other 64-foot yachts.

In the main deck, the living room is surrounded by **frameless glass windows**, offering breathtaking panoramas. The comfortable sofas, the large table, the entertainment area, and the galley—easily connectable to the cockpit—top it all off. Moreover, the area is overlooked by a steering position with a **unique windshield of more than 10 feet**, curved and frameless for absolute visibility, especially when sitting.

Below the deck, **the master cabin is at the bow** with a king-size bed, large side windows, and a **full-beam head**. Also, the VIP cabin really stands out: its livability is definitely above average and the materials selected are simply exquisite. Furthermore, the third cabin is a double stateroom with single beds. Finally, all cabins have *en-suite* heads.

Absolute Spa designs and builds luxury yachts from 47 up to 73 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). Absolute is independent both financially and in management. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
