ABSOLUTE AT THE GENOA BOAT SHOW 2021

16th – 21st September 2021

The long-established **Genoa Boat Show** returns to welcome the world of leisure boating, launching its 61st edition with an optimistic and confident spirit.

The six-day event will feature two brand-new Absolute boats: the **48 Coupé**, the first of a whole range to explore for the Piacenza shipyard, and the **60 Fly**. Together, the two boats start a new generation of Absolute boats – aka “**Generation 2022**” – the result of a year of extensive research and innovation.

The **48 Coupé** – ‘the Absolute Horizon’ combines comfort, superior liveability and innovation with the bold, sporty lines of the new Coupé range. In the living room, the large electrically opening windows offer a boundless view of the sea, while a large “terrace” cockpit accommodates versatile modular furnishings that can be easily rearranged to enjoy relaxation and leisure with friends, while admiring boundless views of the sea.

Versatility has also inspired the **60 Fly**, called ‘the Absolute Prisma’ for its multifaceted nature. The roomy interiors allow for a full-beam owner’s cabin in the bow, a large relaxation area on the upper deck, and a spacious aft cockpit, without any fixed elements so it can be furnished as desired and needed. All this is topped off with fine finishes, modular décor, glass rear parapets, and two ultramodern and functional steering consoles.

Absolute's attention to technology and sustainability completes **Generation 2022** boats, providing **renewable electricity and ensuring savings** with the solar panels built into the hard-top. This eco-friendly choice also serves as a way to improve the owner’s comfort and autonomy at anchor, powering on-board devices without using generators.

The two new 2022 boats – the **48 Coupé** and the **60 Fly** – will be exhibited alongside the **62 Fly**, and three prestigious representatives of the Navetta line - the Navetta **52, 58** and **64**.

The six boats of the Absolute fleet will be moored at the Port of Genoa (Marina Banchina E – Ufficio YE43) to show their innovative features and luxurious interiors to visitors and boat owners.
