

February 2023

An extraordinary yachting experience

Absolute proudly presents four boats at the Miami International Boat Show
14-18 February 2024

Absolute has become a **trendsetter** in the **luxury yachts** category. Among its main strengths are the **exceptional liveability** of its craft, with super-light, super-efficient **yacht management systems** including what have become fashionable options such as **assisted docking** and **sports cruising performance**.

The four models that will be presented at the **Discover Boating Miami International Boat Show** represent Absolute's talent for practical sport cruising luxury. From **14 to 18 February 2024**, it will be possible to visit and experience first-hand the uniqueness of our brand by admiring the four iconic boats that will be on display: Navetta 75, Navetta 58, Navetta 52 and 48 Coupé.

Navetta 75

Navetta 75, the brand's **flagship**, is described as the **Absolute Sphere**, and it represents the very best of the range; a remarkable combination of **technology, style** and **refinement**. Among her exceptional design features are the **aft terrace cockpit** with a glazed stern parapet for exceptional liveability and views, as well as the **bow master cabin** with private access and a superb-quality finish.

Navetta 58

Described as the "**Absolute Leader**," the **Navetta 58** offers all the brand's iconic **liveability** and **manoeuvrability**, so that the owner can control the boat unassisted, utilizing the cutting-edge technological systems. Superb visibility and simple handling enable easy mooring operations in all conditions. As in all Absolute Yachts, an extensive use of sliding doors maximises space.

Navetta 52

Navetta 52 – the **Absolute Appeal** – was designed to ensure high levels of **cruising comfort** in all conditions. The **side decks** are protected above by a cantilevered superstructure and at the side by sturdy bulwarks. The **cockpit terrace** is also entirely covered by the flybridge so that it can be enjoyed in any weather. The **flybridge** is exceptionally large, with a dinette, an outdoor galley, and an aft terrace area with moveable seating for maximum flexibility.

48 Coupé

The **48 Coupé** – the **Absolute Horizon** – embodies the latest and sportiest horizons of luxury yachting. It combines the brand's impeccable comfort with a **dynamic profile** and distinctive design. There is a constant focus on the ocean setting guaranteed by the excellent **visibility** provided by the open bulwarks and the glazed balustrades astern. Inside, panoramic views are assured by the exceptionally **large areas of glazing** in the **salon** and in the three staterooms below deck.

Our Absolute team will be happy to show you these uniquely luxurious yachts at the **Discover Boating Miami International Boat Show**. Absolute's yachts will be moored at **One Herald Plaza – stand HP – B (same position as last year's edition)**

Absolute Spa designs and builds luxury yachts from 47 up to 75 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). Absolute is independent both financially and in management. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
