NAVETTA 53 – THE ABSOLUTE MOMENTUM

The **Absolute Navetta 53** epitomizes the perpetual evolution Absolute. The Navetta 53's defining keyword, "**Momentum**", encapsulates the brand's relentless pursuit of innovation in the design and manufacture of cutting-edge yachts, offering the liveability and comfort generally found on much larger yachts. Meticulous attention to **sophisticated exterior lines** seamlessly merges with the unmistakable **craftsmanship** of Absolute's interiors.

Absolute style and quality

The distinctive aesthetic of Absolute's Navetta 53 is polarised by **design touches** such as the stylish **open gunwales** with their elegant curving profiles that harmonise with the sleek lines of the expansive hull windows, and the fine **craftsmanship** lavished on every detail throughout. The premium finishes offer a fascinating contrast to the minimalist geometry and colours of the main structures.

In line with Absolute's renowned features, the Navetta 53 exemplifies superb **liveability**, sophisticated **luxury**, and effortless **seakeeping**. **Expansive windows** enhance the immersive marine experience, while thoughtful design ensures ease of movement with **minimal use of steps, high ceilings, and space-saving sliding doors**.

Another Absolute trademark is the brand's unwavering **momentum in design**: the signature design flair shines through in the use of prestigious materials in contemporary hues, favouring warm tones from cream to hazelnut essence. Rounded corners enhance both style and comfort, complemented by refined details, such as leather inserts adorning handrails and handles.

The enchanting cockpit terrace

The **spacious cockpit terrace**, consistently a hallmark of Absolute yachts, is a space designed to welcome guests from dawn to dusk. Its ample and versatile layout can be tailored with **modular furnishings**, offering complete freedom in arrangement according to needs. Serving as a natural focal point, the cockpit terrace allows one to fully appreciate the yacht's unique and multifaceted character.

Absolute's commitment to providing spectacular vistas is evident in the glazed stern parapet and the open design of the gunwales. Protected pathways with integrated lighting lead forward, enhancing both safety and ambiance.

The ultimate flybridge experience

The **flybridge** is a privileged location on the Navetta 53, featuring a **helm station** complemented by comfortable settees ensuring sociable navigation in the company of guests. The stunning views and exhilarating sailing experience are complemented by an array of comforts. These features make it ideal for relaxed dining and for savouring scenic views with family and friends, creating unforgettable moments on the panoramic terrace.

At the bow, **the sunbathing area** and settee offer another privileged location for enjoying the open-air setting, relaxing and socialising. Absolute's talent for ensuring versatility is evident in the sun lounger, which can be converted into a second settee, turning the bow area into an ideal space for moments of relaxation and conviviality.

Integrated comfort and technology

The main salon offers a **360-degree panoramic view**, enveloping guests in an embrace of light and space. The atmosphere exudes refined elegance, with meticulously curated furnishings and a spacious, well-equipped kitchen seamlessly integrated with the cockpit, creating an open and inviting environment that directly overlooks the sea.

The **helm station**, characterized by modern and ergonomic design, is highly technological and features a convenient side door to ensure maximum autonomy for the owner during manoeuvres. Thanks to the **Volvo Penta IPS** propulsion system, performance is exceptional and fuel consumption is reduced, ensuring a superior navigation experience.

Spatial optimisation below decks

The full-beam **master cabin**, located midships, features expansive windows, a spacious walkaround queen-sized bed, and an array of storage options including drawers, cupboards, a vanity area, and convenient luggage storage drawers beneath the bed.

The VIP guest cabin at the bow also benefits from the generous glazing, typically found on much larger yachts, with the same meticulous attention to technology, comfort, and design.

Additionally, a **third central cabin**, with its two single berths and high ceilings, ensures optimal comfort for guests.

For further information and photos of the new Navetta 53, a dedicated site is available at the following link:

Absolute Spa designs and builds luxury yachts from 47 up to 75 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). Absolute is independent both financially and in management. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
