## **Absolute showcases a contemporary collection of luxury yachts in Cannes** **An exceptional opportunity to discover the brand's uniquely innovative approach** **to marine design**

As in previous editions, **Absolute Yachts** is set to impress at the Cannes Yachting Festival 2024, running from **10 to 15 September 2024**. This year's show promises to be particularly significant for the brand, as it will feature the majority of Absolute's fleet, including the world premieres of two new models: the **Navetta 53** and **Navetta 70**. With a total of eleven yachts moored in the picturesque Pantiero area of Cannes' sun-drenched harbour, this is an unmissable event for luxury yacht enthusiasts.

### **Introducing the Navetta 53: a new chapter in innovation**

The **Navetta 53** embodies Absolute's relentless pursuit of innovation, delivering unparalleled cruising comfort and enjoyment, with elevated standards of liveability generally found in much larger boats. Featuring attractive exterior lines and the brand's renowned interior craftsmanship, Navetta 53 is a triumph of marine architecture. Highlights include stylish **open gunwales**, **generously sized windows**, **superb seakeeping** and **prestige materials** used throughout. This is Absolute's first yacht under the length of 70 feet to offer one of the brand's hallmark features, a versatile and spacious

**cockpit terrace**, ideal for hosting guests from dawn to dusk. Below deck, the accommodations reflect Absolute's commitment to style, comfort and sophisticated design.

### **Navetta 70: redefining luxury yachting**

**Navetta 70** groundbreaking addition to the luxury yacht industry, combining striking aesthetics with spaces designed to enhance the marine experience. The stunning flybridge, available in two configurations, and the spacious kitchen and lounge interiors exemplify the brand's characteristic design brilliance. Advanced technology, including solar panels, underscores the yacht's sustainability, reducing fuel consumption and enhancing on-board tranquillity. It is no surprise that the keyword for Navetta 70 is "Allure": this yacht is a masterly combination of contemporary engineering brilliance with classical Italian styling.

Other Absolute **Navetta** models on display in Cannes include the flagship **Navetta 75**, with its large aft-terrace cockpit and superb full-beam owner's cabin in the bow; the **Navetta 64**, which in the innovative Beach Club version includes a twin-bed cabin offering a fantastic view and direct access to the sea; the **Navetta 58**, characterised by an uncompromising combination of comfort and performance, from the sundeck in the bow to the privileged viewpoint offered by the flybridge with electric canopy; and the **Navetta 48**, with three luxurious cabins plus optional crew accommodation aft, and interiors of exceptional volume and beauty.

The Absolute's **Flybridge range** will also be well represented: on display will be the **60 FLY**, the **56 FLY**, the **52 FLY** and the **47 FLY**. Each model in the Flybridge range is designed to offer excellent performance, comfort and versatility. The innovative features introduced by Absolute, and the mastery of optimised space guarantee an unrivalled sailing experience.

Finally, the Absolute **48 Coupé** will be on display, featuring a sporty design with a wide platform, an aft cockpit connected to the aft galley, and a saloon with retractable glazed panels for optimal ventilation and views. The hard top with solar panels underlines Absolute's dedication to sustainability and user comfort, allowing for silent anchoring.

### **Experience Absolute's Superlative Quality**

Each Absolute model showcases exceptional quality and the brand's unique, innovative approach to luxury yacht design. Visit Absolute's stand at **PAN 214-008** during the **Cannes Yachting Festival** to experience these remarkable yachts firsthand.

Absolute Spa designs and builds luxury yachts from 47 up to 75 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). Absolute is independent both financially and in management. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
