## Absolute Yachts: Luxury and Innovation at the 2025 Fort Lauderdale Boat Show

*Absolute presents its unique approach to luxury yachting at FLIBS 2025, from October 29 to November 2, 2025.*

What is it that sets Absolute yachts apart from the rest? Find out at FLIBS! With seven yachts on show, comprising two première presentations for the United States, Absolute's presence at the Fort Lauderdale International Boat Show will highlight the values that make the difference. FLIBS, often considered the largest in-water boat show in the world, is held at Fort Lauderdale on Florida's Atlantic coast, close to the Bahamas and the Caribbean. Spanning 280,000 square meters, it extends across an intricate network of water and land areas, with seven locations. **Absolute** will be at the **Bahia Mar Yachting Center**, 801 Seebreeze Boulevard, Fort Lauderdale 33316 at the stand **Bahia Mar Face Dock 17**.

Absolute yachts are rendered unique by their **100% Italian craftsmanship** combining artisanal skill with cutting-edge technology. Their many **innovative design features** include a minimal use of steps, sliding doors to optimize space, rounded furniture corners, ample storage facilities, and imaginative lighting. Absolute pioneered the concept of placing the owner stateroom in the bows instead of the usual position at the center of the yacht, because the bow area offers the highest degree of peace and quiet.

**70 Fly, *The Absolute Wonder* – première presentation for the USA**

It is not surprising that the keyword chosen for the new 70 Fly, seen here for the first time in the United States, is “**Wonder.**” This yacht’s incredibly stylish design is accompanied by innovative architecture, with some exceptional features, such as the **bathing platform that slides vertically into the sea.** But wherever you are on the 70 Fly, you will appreciate the brand’s attention to even the smallest details, with

countless features that make life on board an unforgettable experience. For example, there is a **large glazed sliding door on the port side of the saloon**, so that even when you are dining inside, you feel as if you were in the open air. The flybridge is of course a favorite location on the 70 Fly, offering fantastic views in addition to its comprehensive cooking and bar facilities. The luxurious accommodation below decks reveals Absolute’s habitual attention to privacy and comfort, with the owner stateroom in the bows, VIP suite aft, and two guest cabins. The 70 Fly is not just a yacht, it is a true sea-going sculpture, a prestigious example of high-tech marine architecture.

**Navetta 62, *The Absolute Vibe* – première presentation for the USA**

Absolute’s second première at FLIBS 2025 is the **Navetta 62.** As soon as you step aboard, you understand why the Navetta has itself become an archetype of luxury yachting: it is a magical treasure-box in which you transition effortlessly from one memorable space to the next, a **triumph of contemporary styling and modern performance.** Exteriors and interiors all share the common denominator of superb design that has always been an Absolute trademark. Whether you

are enjoying the view from the flybridge or sipping a cocktail on the cockpit terrace at the golden hour of sunset, the Navetta 62 makes every moment unforgettable, with its **refined lighting** inside, outside and even below the waterline. Every detail contributes to the sophisticated Italian style that hallmarks all Absolute yachts. Its keyword “Vibe” is a good expression of the yacht’s trend-setting ambience and performance.

**Navetta 75, *The Absolute Sphere***

The Navetta 75 is designed to offer immersive experience, with spaces that rival those of yachts in higher categories. Its keyword “**Sphere**” suggests Absolute’s constant **quest for perfection**, and on board you feel both at the center of your own personal sphere, surrounded by aesthetic quality and technical efficiency for optimum comfort at all times, and at the center of the natural environment. Navetta 75 is like a jewel set on the glittering sea, with every facet a surprise – the privacy and luxury of the owner stateroom in the bows, the magnificent flybridge capable of hosting parties of up to 18 people, right through to the wonderful views from the **cockpit terrace.**

### **Navetta 70, *The Absolute Allure***

Every Absolute yacht is a **symbol of perfection** in design, technology, and safety, while also offering a wide range of options. On the Navetta 70, you can choose from two flybridge configurations, while the loungers, armchairs and occasional tables on the cockpit terrace can be rearranged at will, to suit the occasion. Likewise, the bow area, with its generous sun pad, adjustable table and settees, has fitted awnings that provide optimal shade.

### **Navetta 64, *The Absolute Pathfinder***

The Navetta 64 is **packed with innovative design features** that optimize the experience at sea. One particularly interesting highlight is the cabin looking onto the stern bathing platform. It has a dual personality: **beach-club lounge**, or a fantastic guest cabin with a large double bed, from which the incredible views close to sea level are reminiscent of an infinity pool. Further aft, the saloon is an eloquent demonstration of Absolute's mastery of artisanal skill, with interiors crafted using prestigious materials such as Canaletto walnut, solid elm, crystal glass and marble. The owner stateroom, with vanity cabinet, desk, generous storage space and a superb full-beam bathroom, is a memorable expression of luxury interior design.

### **56 Fly, *The Absolute Charisma***

What is the charisma of an Absolute yacht? The fact that, whichever model you choose, you will discover that it has its own character, the result of innumerable design features that create a yacht with exceptional personality. Life on board is made easy by **state-of-the-art technology** and equipment, which is always a discreet presence in order to place the accent on the pure pleasure of being at sea. Throughout, the sense of connection with the marine setting is enhanced by the **massive windows**, the minimalist steel handrails, and the sense of reliable power provided by the superb engineering and instrumentation.

### **Navetta 53, *The Absolute Momentum***

**Navetta 53** is characterized by the features that hallmark all the yachts in Absolute's Navetta series, such as comfort and practicality enhanced by **high ceilings, floors uninterrupted by steps wherever possible**, and comprehensive amenities both inside and out. Another important Absolute highlight is the door that provides direct access from the principal helm station to the lateral walkway, for optimum supervision of mooring operations. The flybridge guarantees a wonderful experience, with helm station, comfortable sofas, refrigerator, ice-maker and barbecue. The **yacht's exterior furnishings** offer **great versatility**, enabling the cockpit terrace, flybridge, and bow sun pad to be arranged according to individual preferences. The interiors are planned for optimum livability, with tall wardrobes capable of storing long dresses, practical vanity units with mirrors, and calibrated lighting.

We are convinced that you will enjoy the chance to savor Absolute's distinctive approach to luxury cruising by means of a visit to our stand at **FLIBS – Bahia Mar Face Dock 17**.

---

Absolute Spa designs and builds luxury yachts from 47 up to 75 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). In the industry, Absolute stands out as a benchmark company, appreciated for its excellence and innovation, and backed by robust financial stability. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
