FROM MYTH TO REALITY: THE NEW ABSOLUTE NAVETTA 58 COMES TO LIFE

Where elegance meets innovation: Navetta 58 Andromeda shines as a new icon of style, comfort, and freedom at sea.

Every yacht signed by **Absolute Yachts** tells a story. In each model, the brand's signature traits—exceptional build quality, outstanding seaworthiness, and timeless luxury—are expressed in a unique and unmistakable way.

For the **Navetta 58**, the chosen name is *Andromeda*: a princess of such beauty that she aroused the envy of the gods, condemned to sacrifice but ultimately saved and elevated to the heavens, where she still shines today in the constellation that bears her name.

Like the legend that inspires her, **Navetta 58 Andromeda** embodies a perfect balance between elegance and strength, tradition and innovation—marking a new milestone in Absolute's creative and technical evolution.

Exterior design: an unmistakable signature

True to Absolute's philosophy, the new Navetta 58 stands out for its **refined, contemporary style**, the result of a carefully studied layout where smooth, interconnected lines flow harmoniously across every surface.

Each space, from the outdoor decks to the interiors, offers **unique perspectives** and a perfect balance between privacy, functionality, and exclusive luxury.

Among the yacht's most distinctive elements are the **large "squircular" bow windows**, a signature Absolute detail, and the **glazed cockpit gunwales**, which ensure unobstructed sea views and enhanced safety for guests and crew. The **reverse transom hull sides** make access to the sea easier, while integrated shading systems guarantee privacy and comfort, even at anchor.

The **cockpit terrace**, spacious and entirely sheltered by the flybridge, is a versatile area that can be customized with modular sofas and various configurations. Lateral crystal finishes and stainless-steel handrails complete a space that is elegant and functional in every detail. The **platform**, wide and walkable, is available in a fixed version or with an integrated automatic ladder, designed for a seamless connection to the sea.

The **flybridge**, completely free of steps, serves as a true **panoramic terrace**. The aft area can be furnished with sun loungers or modular seating, while at the center an L-shaped sofa with a sliding ceramic table can be complemented by two optional chairs.

On the opposite side, a fully equipped unit includes a BBQ, fridge, icemaker, and cooler. The **helm station**, positioned to starboard for easier maneuvering, is paired with a comfortable companion seat.

The **generous hard top** can be fitted with a sliding section or photovoltaic panels, and features **dimnable ceiling lights and**

integrated floor lighting, creating a refined and evocative atmosphere even after sunset.

Interiors: comfort and customization

With **Navetta 58 Andromeda**, Absolute introduces interiors designed to adapt to each owner's lifestyle, offering a wide range of layout and furnishing options.

The **saloon**, spacious and completely step-free, can be configured with a hidden folding table in the lounge area or an electric table for six, positioned across from the galley. Complementary features may include a **glass cabinet**, a large storage unit, or a **relaxation corner** with armchairs and a coffee table.

The **raised helm station** features two state-of-the-art high-tech seats and ensures optimal visibility while underway.

The **forward master cabin** is bright and spacious, offering a walk-in wardrobe, customizable furnishings, and wide windows with direct sea views.

The **midship VIP cabin** provides the same level of comfort and privacy, with en-suite bathroom and premium finishes.

The **guest cabin** features two single beds that can be electrically converted into a double

As in every Absolute yacht, the interiors are distinguished by **soft lines, rounded edges, generous beds, abundant natural light, and subtle ambient lighting**—creating a serene, sophisticated onboard atmosphere.

An experience beyond expectations

The **Navetta 58 Andromeda** captures the very essence of beauty, technology, and innovation that defines Absolute Yachts.

Every detail has been designed to offer an **authentic and memorable cruising experience**, where comfort, functionality, and style merge in perfect harmony.

This new “princess of the sea” is a **masterpiece of naval architecture**, a luminous star in the firmament of luxury yachting—guiding her owner toward new horizons of emotion and freedom.

Navetta 58 Andromeda: the star that illuminates a new course in the world of Absolute.

Absolute Spa designs and builds luxury yachts from 47 up to 75 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). In the industry, Absolute stands out as a benchmark company, appreciated for its excellence and innovation, and backed by robust financial stability. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
