

March 2026

ABSOLUTE AT THE PALM BEACH INTERNATIONAL BOAT SHOW 2026

Five yachts expressing the brand's Italian design vision

For the first time, **Absolute** will take part in the **Palm Beach International Boat Show**, one of the most prestigious events on the international yachting calendar and a strategic platform for the North American market.

From **March 25 to 29**, the Italian shipyard will present a **fleet of five models** – **52 Fly, Navetta 53, 60 Fly, Navetta 62 and Navetta 70** – clearly expressing the **brand's** identity and **design evolution**. A selection that conveys a precise vision: generous volumes, clean architectural lines, and spaces conceived to ensure continuity, comfort, and quality of life on board.

Absolute yachts are distinguished by the **elegance of their exterior lines** and **interiors designed as fluid**, uninterrupted environments. Significant headroom, step-free flooring, and expansive glazing create a constant connection with the sea, while rational layouts and targeted technical solutions ensure functionality, efficiency, and comfort both underway and at anchor.

Each model interprets this philosophy with its own distinctive identity.

The **52 Fly** introduces the concept of **“Direction,”** emphasizing spatial continuity and an onboard experience strongly oriented toward outdoor living, with solutions that enhance the dialogue between interior and exterior spaces.

The **Navetta 53** embodies the essence of the Navetta range, combining comfort, autonomy, and practicality in a balanced design that makes her ideal for extended stays on board.

The **60 Fly** strongly expresses the brand's Italian style, integrating advanced technology and sustainability-oriented design choices into a harmonious synthesis of innovation and aesthetics.

Awarded *Best Passagemaker at the Motor Boat Awards 2025*, the **Navetta 62** features a thoroughly renewed design, characterized by expansive outdoor terraces and bright, versatile interiors conceived to adapt to different modes of use.

Presented in 2023, the **Navetta 70** represents a further step forward in the brand's evolution, redefining the concept of contemporary luxury through innovative architecture, natural materials, and energy integration systems, including solar panels.

Absolute will be located at **Ramp 6, slip Numbers IW 629 – IW 629D.**

Absolute Spa designs and builds luxury yachts from 47 up to 75 feet in the Navetta, Flybridge and Coupé model ranges. The company has been founded in 2002 and it is based in Podenzano, Piacenza (Italy). In the industry, Absolute stands out as a benchmark company, appreciated for its excellence and innovation, and backed by robust financial stability. The different phases of studying, planning, and production are developed internally thanks to the merge of high-level professional competencies in the yachting industry. Absolute is renowned internationally thanks to our network of dealers working hand in hand with the company and are committed to its principles. The shipyard is extended on a 48,000 Sqm surface, using geothermic and solar solutions that can control the environmental impact. In addition, a filtered system purifies the air inside the production site while disposable materials are managed sustainably and properly for the environment. Absolute is the symbol for experience, innovation, and practicality with yachts appreciated all around the world. Today, the company has solidified its place inside the yachting industry worldwide by winning several international awards for the design and architectural characteristics of the boats.
