# ABSOLUTE YACHTS AT THE GENOA INTERNATIONAL BOAT SHOW 2026: FOUR MODELS ON DISPLAY AT STAND YE21

Absolute Yachts will attend the Genoa International Boat Show **from 1 to 6 October 2026**, with four models on display: **60 FLY, Navetta 53, Navetta 62** and **Navetta 70**.

Absolute Yachts will be among the leading exhibitors at the **Genoa International Boat Show 2026**, one of the most important events on the Italian and international yachting calendar, **taking place from 1 to 6 October**.

Internationally recognised for the quality of its yachts, Absolute stands out for a design philosophy centred on life on board, with generous, light-filled spaces, a seamless relationship between interiors and exteriors, and solutions conceived to make every experience at sea more comfortable, functional and natural.

At the Genoa Boat Show, the shipyard will present a selection of four models representing its range: **60 FLY**, **Navetta 53**, **Navetta 62** and **Navetta 70**. Four yachts with different dimensions, layouts and personalities, yet united by the same design philosophy and the same focus on quality of life on board.

Representing the **Flybridge range** will be the **60 FLY**, a model that offers a contemporary interpretation of onboard living through an open and versatile layout, a strong connection with the sea and spaces designed to adapt naturally to every moment of the day. The aft cockpit flows seamlessly into the interiors, while the flybridge brings together the helm station, dining area, galley and lounge spaces in a generous and highly functional setting.

The **Navetta range** will be represented by three models, each expressing Absolute's distinctive approach to comfort and cruising in its own way.

**Navetta 53** delivers a remarkable sense of space for a yacht in its class, thanks to expansive glazing, minimal changes in floor level and interiors designed to enhance visual continuity and freedom of movement. The terrace-style cockpit, flybridge and full-beam master cabin contribute to a yacht that brings together functionality, comfort and a direct connection with the sea.

With **Navetta 62**, Absolute develops this vision further through more generous volumes, bright interiors and a layout designed to balance sociable spaces with areas dedicated to relaxation and privacy. The outdoor areas and flybridge naturally extend the yacht's living space, while below deck the accommodation has been conceived to provide a high level of comfort even during longer stays on board.

Completing the line-up in Genoa will be **Navetta 70**, a model that fully expresses the shipyard's philosophy through a three-deck architecture, generous volumes and expansive glazing. The terrace-style cockpit opens the aft area towards the sea, while the flybridge combines the helm station, dining area, outdoor galley and lounge spaces within a spacious and versatile setting. Inside, seamless transitions between spaces, abundant natural light and a focus on functionality create an elegant onboard experience shaped around the wellbeing of owners and guests.
